

# Technical Rider for Ramal Ensemble

---

## Microphones & Cables

7 or 8 Condenser Microphones (including all necessary cables):

1 Stereo Pair (2 mics) for the Piano

3 Microphones for **Percussion Set A** OR 2 Microphones for **Percussion Set B**

1 Microphone for the Oud

1 Microphone for the Clarinet

1 Microphone for the Cello

Note: pickup microphone not possible to any instrument

---

## Stage Monitors

3 on-stage Monitors

---

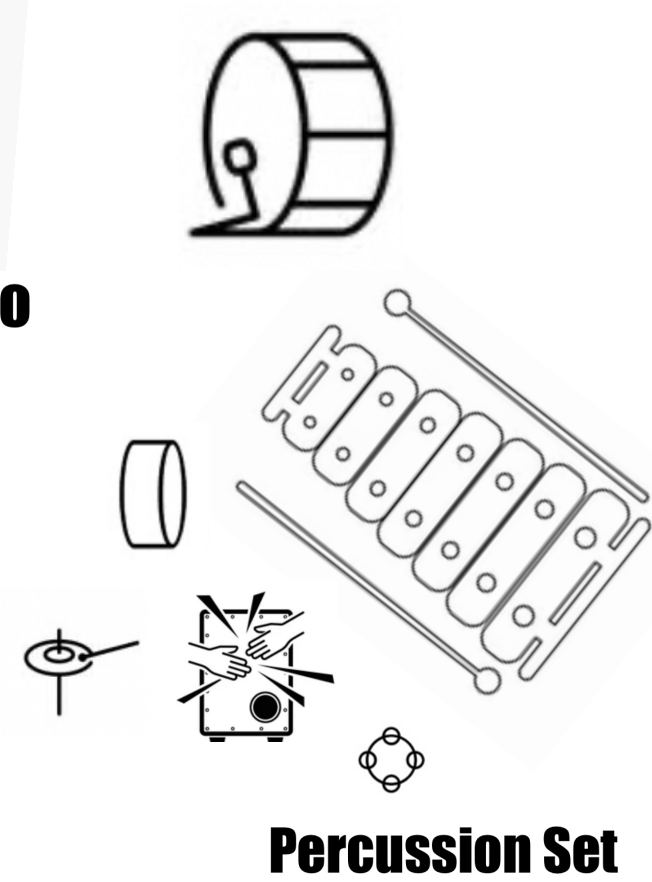

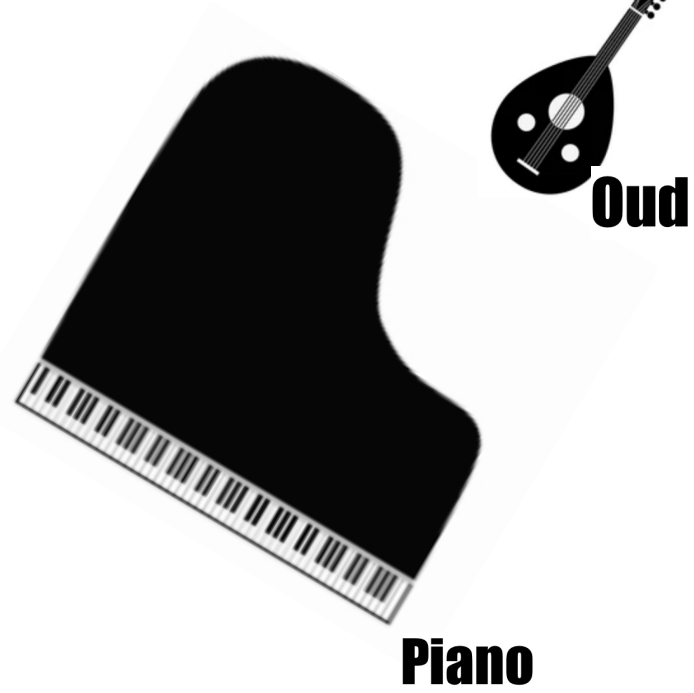

## Music Stands

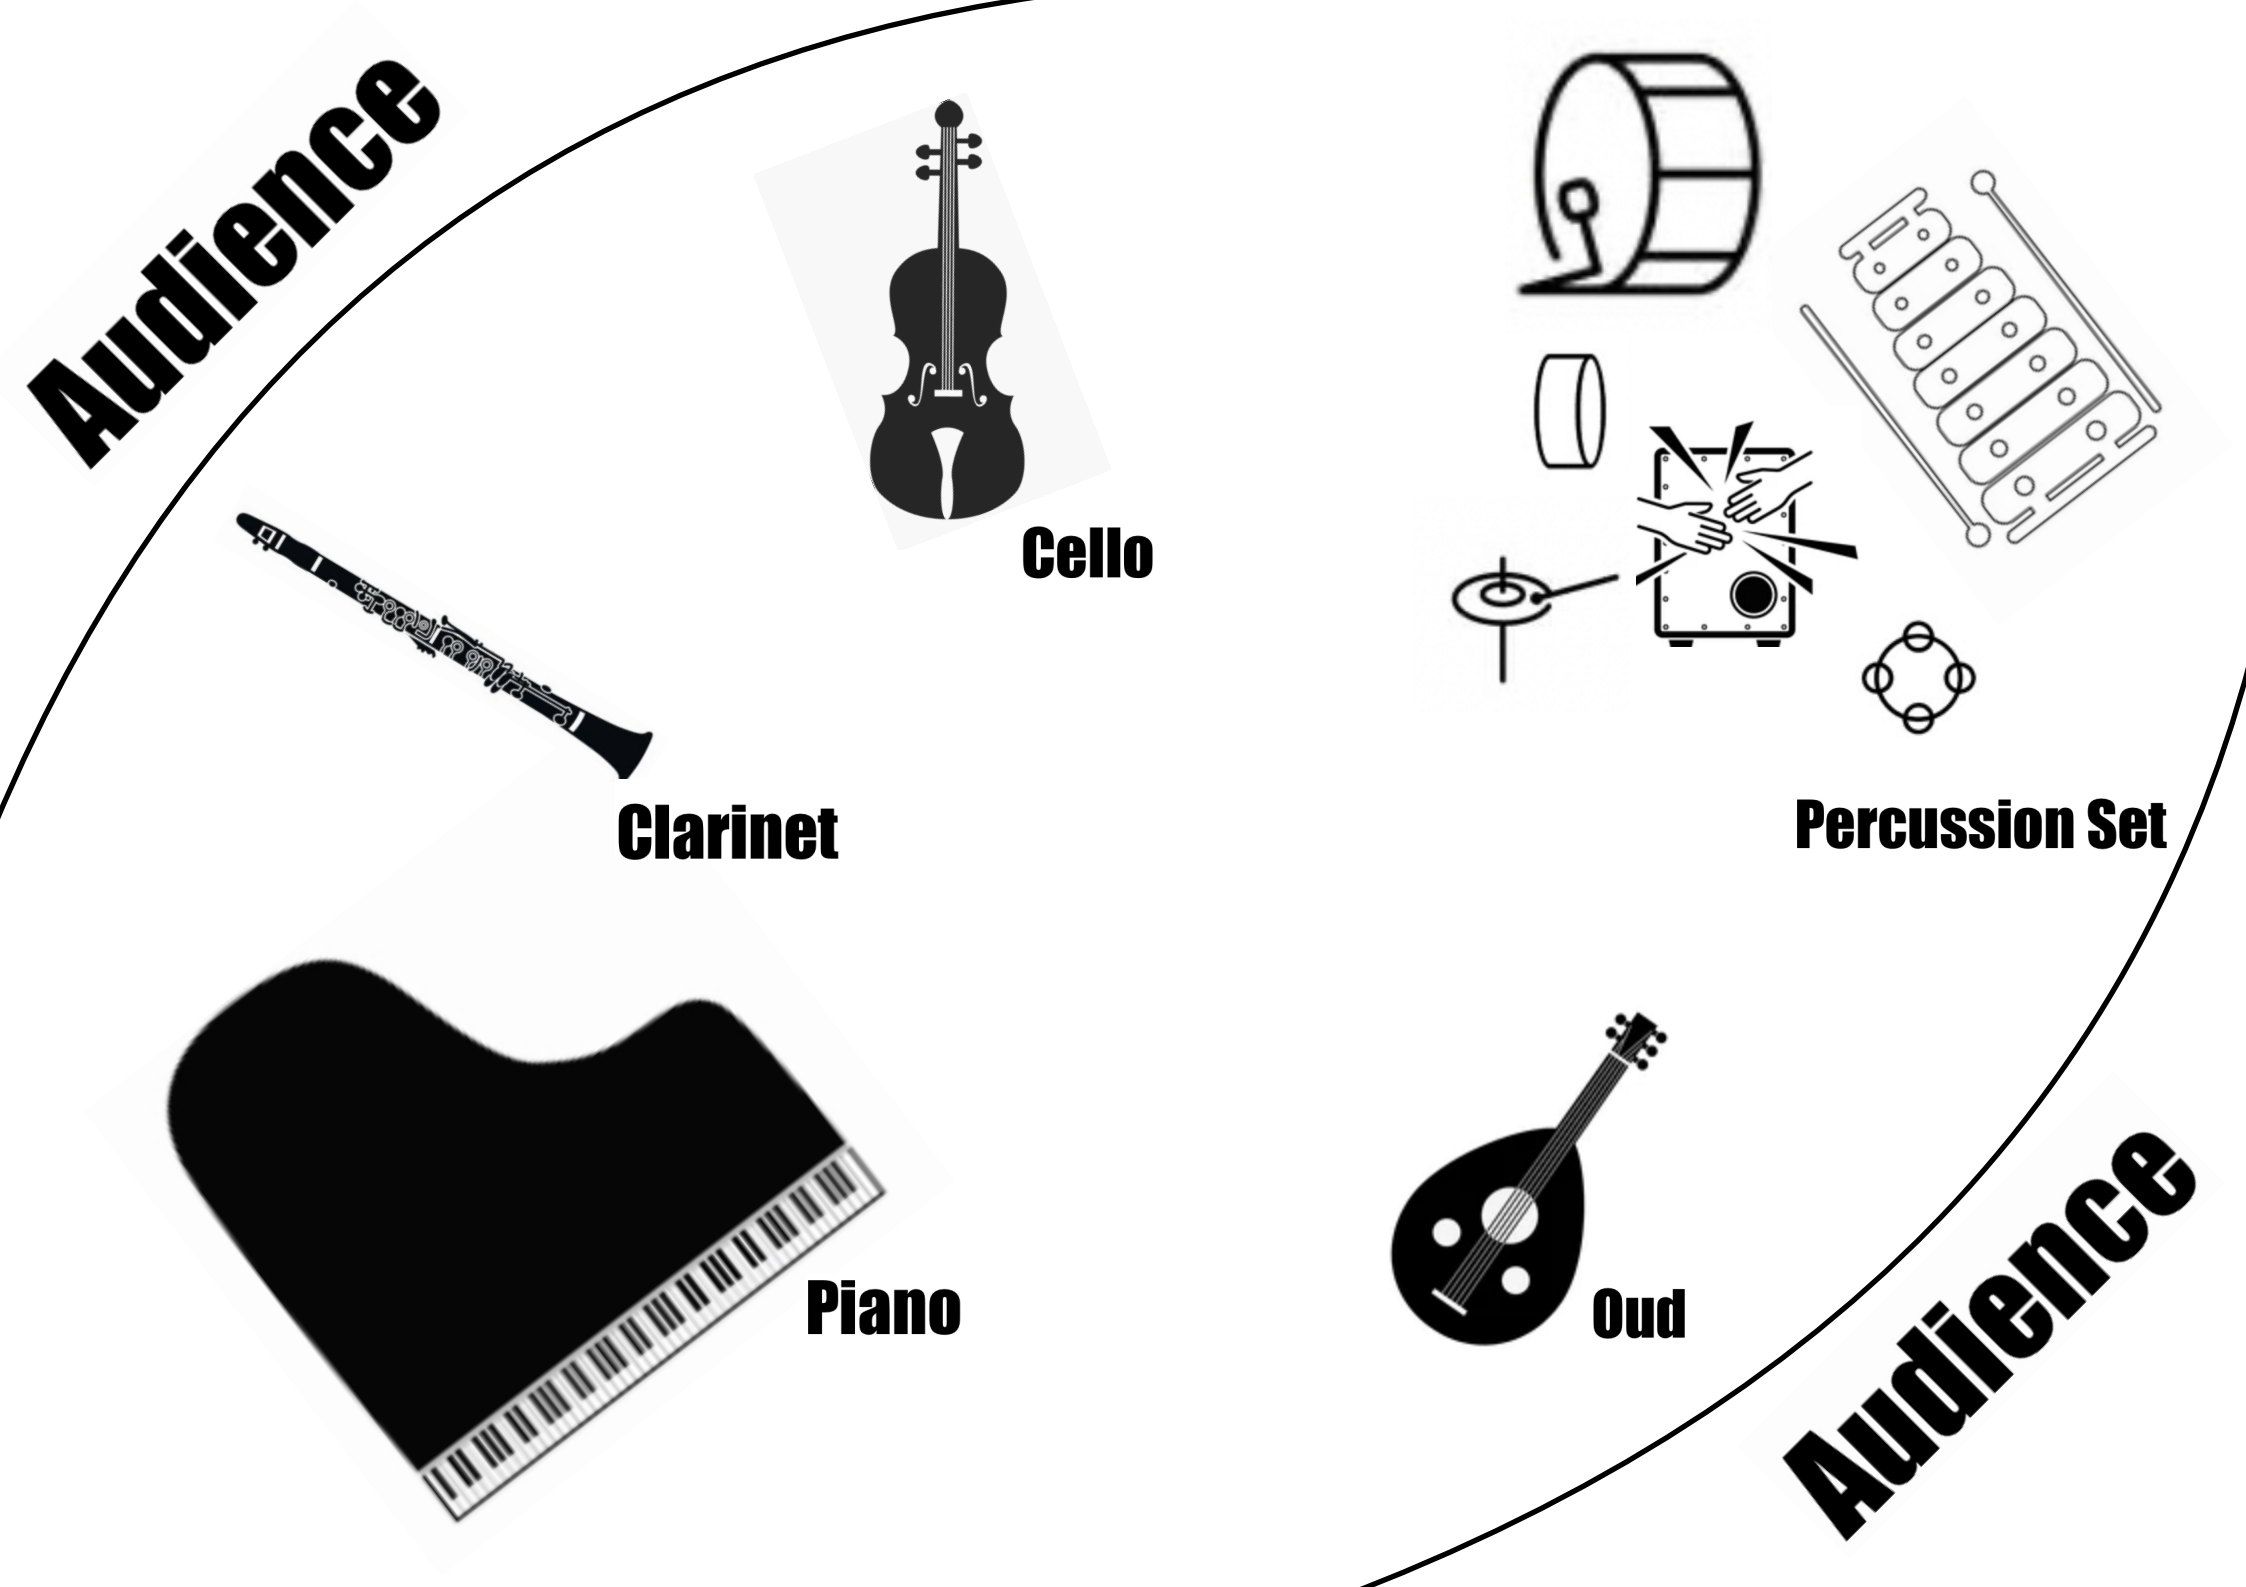

7 Music Stands

---

## Mixing & Amplification

- Ensure microphones are suited for acoustic instruments (condenser preferred).
- Monitor mixes should allow clear distinction between instruments.
- Monitor mixes on stage should be set up to provide clear sound for all musicians.
- All microphones should be routed into a mixing console.
- The mix should be amplified for the audience via the venue's PA system.
